#1: Beginning on May 9, 2017, our Sports Radio KHKR ESPN affiliated station participated in an internship program with ATC – a local outreach program designed to help Students learn about possible employment opportunities in areas that they may be interested in learning more about. We started with 2 students who spent time with Devin Dixon, our On-Air Personality for our Sports Station learning the behind the scenes activities of what is needed for On-Air Show Prep, board-op responsibilities for On-Air Games, participating in Sponsorship activities including Golf Tournaments, and setting up remotes when scheduled for the station. These two students continued to intern with KHKR until the end of August when school resumed.

#2: On June 29, 2017, Radio Hosts, Devin Dixon & Andy Thompson hosted a group of scouts by allowing them hands on experience with the hopes of helping them earn their Radio Merit Badge. They toured the offices, learning about the Business side of Radio, the Sales side of Radio and the Engineering side of Radio along with the On-Air side of Radio. There were 9 scouts who all received their Merit Badge after their visit.

#3: Beginning on August 16, 2017, our Sports Radio KHKR ESPN affiliated station had the opportunity to participate in another internship program with ATC for Older Students who were in need of direction pertaining to work and job opportunities. Devin Dixon and Andy Thompson started with one student who participated in helping them with research and creating show prep for the daily live shows. On August 23, 2017 another student joined them in this internship program. Both students learned how to be Board Operators, participated in events with the station, and continued to help with station research. Because of the success of their efforts and willingness to learn, the first student was hired as a part time

employee in September 2017 and the other was hired in October as a part time employee. Both Students continue their part time employment with us to date.

#4: On February 20, 2018, Our Programming, Receptionist, Sales and News staff participated in the Dixie State University Career & Internship Fair. This opportunity allowed us the venue to promote Cherry Creek Media with its many job opportunities to a large group of Students who had interest in Media/Broadcasting, sales and Business. We were also able to communicate with the University our ideas of being able to incorporate interns into our business. We were able to visit with individuals on a one-on-one basis with the way that the University had curtained off areas for us to use to stage interviews and discussions in regards to what positions are needed to staff a Radio Group with 7 radio stations.

#5: On Saturday, May 19, 2018, Radio Host, Tim Nesmith, attended the Scout Expo in Cedar City, Utah where he introduced Boy Scouts to the many career opportunities in broadcasting.
